Changes to the Board of Directors of Mobimo Holding AG

Lucerne/Küsnacht, 3 December 2020 – The Board of Directors of Mobimo Holding AG will propose the election of Sabrina Contratto as a new member of the Board to the Annual General Meeting on 30 March 2021. Sabrina Contratto would replace Christoph Caviezel, who stepped down from the Board of Directors in April 2020. After 12 years of valuable service for Mobimo, Bernard Guillelmon has decided not to stand for re-election.

Sabrina Contratto (1973) studied architecture at the Swiss Federal Institute of Technology (ETH) in Zurich and completed advanced studies in urban management. She was co-owner and CEO of international architectural firm Baumschlager Eberle in Zurich for 17 years. She founded her own company, CONT-S GmbH, in 2018, collaborating with landscape architects, architects and scientists to create “UrbanVision4.0”, a concept that brings together spatial science and expertise in urban planning to develop ideas with a 100-year outlook for municipalities, cities and regions. Sabrina Contratto has also been a lecturer at the ArchitekturWerkstatt of the Eastern Switzerland University of Applied Sciences in St. Gallen since 2019, and holds various board mandates in private firms. She is also regularly invited to sit on assessment boards for study commissions.

Peter Schaub, Chairman of the Board of Directors: “We are pleased to have the opportunity to propose Sabrina Contratto, someone with a wealth of expertise in urban planning, to our shareholders. I would like to thank Bernard Guillelmon for his many years of service. His achievements include the successful integration of LO Holding Lausanne-Ouchy SA in 2009, in which he played a vital role. In the past few years, he chaired the Nomination and Compensation Committee of the Board of Directors, exercising his role with care and diligence.”
